## New Commander at Whitehall Fort!

---

---

Last spring our beloved Fort lost their Commander back to Bleweford. He had given two decades of service to Whitehall, and he will be so missed. For his full leaving notice see our Edition from the week of April 4<sup>th</sup>! However this paved the way for new leadership, and we are excited to hear that a replacement has been found. They will begin at the fort on the 8<sup>th</sup> day of this moon cycle, and we hope to interview them the week after! In the meantime, the interim Commander Jalen Swordswing had this to say "I think things have run swimmingly, but I am excited for a vacation!" Stay tuned for more news.

## Yam Fest Success!

---

---

A mere fortnight ago Whitehall hosted Yam Fest for the people of Hexenholme for the first time in 5 years. The festival used to be a time of celebration for all, but spirits were dampened during the war. It seems the positivity of the festival was well worth the effort! See the quotes below from a few excited citizens:

"F\*\*\*ing love Yams, write that down. The yams this year were off the field good!" - Henry Singerson

"I remember my first Yam Fest as a wee lass, and the yams were as big as my head. This was much the same, it was so good to see the community bond again over our love of Yams" - Mary Macord

## Adventurers in Whitehall?

Rumour has it that a caterer to Adventurers (Adelaide Cartwright of Bleweford) has purchased the old Wobbly Table Inn in Whitehall and intends to fix it up and make it a gathering place for Adventurers from far and wide. She insists that the Adventurers bring help and prosperity to the areas they gather in, and she wants to bring the spirit of Hope and Wealth to the people of Hexenholme. But others say Adventurers are far more trouble than they are worth, due to a widespread belief that their gathering causes all manner of beasts, elementals, spirits and even fae to be drawn to their location. Will this be good for Whitehall? For Hexenholme? Or will this be a path to disaster for local townspeople? Only time can tell, but we are on the case, and we will bring the news to you.

# Spirits Lure Children?

Tensions in Fangrove continue to rise as the Druid Circle accepts no responsibility for their part in the tragedy that befell two children their last month. Fangrove has always been a place where spirits passed through, but some say the spirits are out of hand and are luring citizens of nearby townships into the Grove to never return. Will anyone step in to mediate? Or will children continue to vanish?

## Have you seen the Monster in the Lake?

Currently seeking stories from folks who have seen the infamous Monster of the Lake in the large lake near Whitehall!

## Cidery stopping to smell the flowers, so you can taste them!

Our favourite local Cidery, Baizelat, has pioneered a new Cider flavour for your enjoyment! The cider experts are now brewing a blend of lavender and chamomile Cider for evening drinking, after customers reported needing something light to send them off to bed! The blend is made with the best apples, and then steeped with the flowers before fermenting for the best combination of flavours without any extra greenery. Give it a try yourself! Its sure to be a treat.

# Obituary: Desmond Taxor

## For Distribution across Armonia

TAXOR, Desmond Pertwee  
February 566 - November 624

It is with great sadness that we announce the passing of Desmond Taxor on the evening of August 21st. An Ancoran native, his brilliant mind led him to a life of academia, specialising in the field of Cosmology. A passionate explorer, Desmond was known for his explorations of the Cosmos. His body of work in the field led him to be known as one of the foremost cosmologists of our time, columnating in 'Taxor's Guide to the Planes', considered the preeminent body of work in the field of cosmology. His passing is a loss to the study.

Desmond was well known in the local lawn bowling scene, his team 'The Pin Pals' was known for it's good natured play. The Ancoran Lawn Bowling league has announced it will hold the first annual Desmond Taxor Memorial Tournament next year, with details to follow.

He leaves no descendants, and is survived by no living family. His estate has requested donations be made to the Fordshire Magics Guild or the Chester Von Barrington Orphanage in lieu of any formal memorial services.
